

Rig Sans Specimen

Font Overview

Rig Sans is a streamlined geometric typeface, that speaks in a confident, affable tone. Its open, clean structure lends text a neutral, transparent quality. The generous x-height, clipped terminals and wide apertures enable Rig Sans to thrive, both in print and on screen.

Rig Sans' sturdy characters produce text settings with excellent clarity and readability. Their shape has been adapted from robust letterforms originally designed to withstand 3D distortions. This unique approach has resulted in an original sans serif rendition and an adaptive, durable type family.

Font Specifics

Rig Sans is comprised of eight weights and accompanying italics. Each weight contains 514 glyphs.

OpenType features include; alternate characters, all caps punctuation, fractions, ordinals, superscript, subscript and three figure styles.

Family Styles

| | |
|-------------------|---------------------------------|
| Thin | <i>Thin Italic</i> |
| Light | <i>Light Italic</i> |
| Regular | <i>Regular Italic</i> |
| Medium | <i>Medium Italic</i> |

Acknowledgements

Many designers generously gave their time to help shape the creation of Rig Sans. A special thanks to Toshi Omagari whose in-depth review and guidance vastly improved the final font. Thanks also to Bradley Martin, Elliot Jay Stocks, Chris Baldwin, Nicole Arnett Phillips and Ryan Gillard, who kindly reviewed the typeface in production.

Exmouth Market decorates Clerkenwell's northern edge in the heart of London. Studded with renowned restaurants, cafés and bars, the vibrant commercial street also features a dozen independent boutiques. *The brightly painted façades are reminiscent of an English seaside resort, while on warm evenings the street has a charming, continental feel as diners sit outside under twinkling lights strung between the lively restaurants.* On weekday lunchtimes, the market simmers with globally inspired cooking from the twenty or so stalls that line the street, serving queues of workers from the surrounding creative industry. The street wasn't always so well-heeled. Beginning as a simple path behind a tavern, over the years it's been known for lewd sports, a disreputable tea-house and...
